Bikes and pets

Bicycles, dogs (with the exception of animals identified by an Assistance Animal Pass) and surfboards are not allowed on train replacement buses.

Accessibility

Most train replacement buses will be low-floor models to assist passengers.

If you need help or cannot board a replacement bus, please contact PTV prior to travelling on 1800 800 007 or speak to our staff at the bus stop for alternative transport to be arranged at no cost.

Parkdale Station shuttle bus

Parkdale Station will close from 11.30pm Saturday 21 October to mid-2024. During this time, Frankston Line trains will run express through Parkdale Station.

From Saturday 4 November to mid-2024, a shuttle bus will run as a loop between Mentone, Parkdale and Mordialloc stations to connect Parkdale Station passengers to Frankston Line trains.

Ticketing and station facilities

While the station is closed, station facilities and myki readers will not be available.

You should touch on and off at Mentone and Mordialloc stations. These stations are also available for myki card purchases or myki top ups.

Buses replace trains on the Frankston and Stony Point lines

11.30pm Saturday 21 October to Friday 3 November

We're busy removing level crossings

Victoria's Big Build is making the Frankston Line level crossing free by removing all 27 of the dangerous and congested level crossings by 2029. We're building 17 new stations, improving safety, reducing congestion and allowing more trains to run more often.

We're removing the level crossing at Warrigal Road, Mentone and Parkers Road, Parkdale by building a rail bridge over the road and a new Parkdale Station with modern and accessible facilities for passengers. We're creating a new community open space including planting new trees and greenery, community gathering places as well as sporting and recreational facilities for the community to enjoy.

Removing these crossings will change how locals live, work and travel. Journeys on the Frankston Line will be faster and local roads safer.
