

CHAMPIONING NEURODIVERSITY: HELPING CHILDREN THRIVE IN A NEUROTYPICAL WORLD

Term 3 will spotlight another important topic: **Championing Neurodiversity: Helping children thrive in a neurotypical world**. Despite neurodivergence affecting only a portion of school families, Justin's sessions on this theme consistently draw the highest attendance, highlighting concerned parents' urgent need for support.

These live sessions allow participants to engage directly by allowing for questions.

WHAT ARE THE EVENT DETAILS?

What: Championing Neurodiversity: Helping children thrive in a neurotypical world

When: Monday 19 August 2024 • 7.00 pm - 8.00 pm AEDT

Where: happyfamiliesfamilyeducation.ac-page.com/KilbredaCollege

THIS EVENT IS HOSTED BY DR JUSTIN COULSON

Dr Justin Coulson is the co-host and parenting expert on Channel Nine's "Parental Guidance" and the founder of **happyfamilies.com.au**. He holds a PhD in Psychology and is one of Australia's most trusted parenting experts.

Over the past decade he has helped innumerable families with his 9 books about raising children, his hundreds of media appearances (including all of Australia's major news outlets, and even the Washington Post and the New York Times), and two viral videos that have been viewed a combined 80 million times!

Justin earned his PhD in Psychology from the University of Wollongong. He and his wife Kylie have been married since the late 90s and are the parents of 6 daughters and the grandparents of 1 granddaughter.

Justin is also a sought-after keynote speaker, helping organisations and schools boost wellbeing and improve relationships.

WHAT WILL THE SESSION COVER?

This 60-minute webinar will cover:

- Recognising and nurturing the unique strengths of neurodivergent children.
- Tailoring support to meet the individual needs of each child.
- Implementing effective strategies for better behavioural and emotional support.
- Enhancing communication and fostering positive social interactions.
- Helping neurodivergent children build resilience and confidence.
- Promoting collaboration and advocating for the needs of neurodivergent children.

**Watch the webinar online live on Monday 19 August
(or watch the replay which will be available for 14 days post event).**
